This meeting is for the purpose of reviewing and, where appropriate, granting preliminary approval for the plans and specifications for reconstruction of the following Boathouses at the Municipal Yacht Harbor and to grant approval for the demolition of Boathouses #95 and #96 subject to the submission of a demolition plan by Sizeler Thompson Brown Architects and its approval by Steve Finegan:

Boathouse #	Municipal Address	Tenant
22	7800 Breakwater Drive	John Nathan Chandler
96	8136 Breakwater Drive	SNL2, LLC
Application for Demolition subject to the above	8134 Breakwater Drive	Louis Roussel, III
95	8136 Breakwater Drive	SNL2, LLC
96		

The plans and specifications as to a number of those boathouses are still under review. Indeed, as to some there remain outstanding requests for additional information. Accordingly, MYHMC reserves the right to postpone the hearing on any boathouse where the review process has not progressed sufficiently by the time of the public meeting for the architect retained by MYHMC to be in a position to make a recommendation for or against approval or where some other issue concerning the lease or other factors makes that necessary or prudent, in the sole judgment of MYHMC.
